

What is a MAYO Sprint?

Sprints are where people can come together to help work on projects. Whether you are religious or not, you can come to sing, dance, code, paint, write or even crunch numbers. Everyone is welcome to come and have fun! You don't have to be an expert, there is plenty of help along the way. Below is a brief summary of activities being run:

Music	Join the band in playing music and making some new tunes.
Connect	Love to write? Opinionated? Help the Connect magazine by contributing articles, help with the layout and spell check the articles.

Formation	Develop formation resources.
Planning	For the year.
???	Do you have an idea for a project? We are here to help you develop new ideas and initiatives.
